The minutes of the meeting held on Super Bowl Sunday 2/1/04

The meeting was called to order by President Brian at the appointed time after being razed by everyone in attendance over his selection of date and time. Those present were: Dave Dress, Bill Keyes, Jim Massey, Tom Puma, Tom Purner, Brian Reed, Dick Robinson, Rich Schisler, Bob Scott, Roger Smith, and Hank Tanzer.

Brian passed out the financial statements for 2003 and after a railroad job of the worst variety decided by unanimous vote that Dave Dress ought to take on the additional title of secretary much to his chagrin.

Also passed out were copies of merged bylaws and field and flight rules that Brian had compiled from various sources. Discussion initially centered on whether a quorum existed to take action. After this horse was beaten up for a bit it was decided that in true Vermont tradition we would follow the lead of town meetings.....if you cared enough to show up you had the power to decide.

The By-Laws were discussed, modified and adopted by the membership.

Tom Puma informed the club that three flying sites were covered by insurance, the airports at Fair Haven, Middlebury and Rutland.

Much Discussion ensued regarding putting on a mall show on April 4, 2004 and it was agreed that we would meet at the mall at 9:00 am and the show would run from 10 – 5. Brian volunteered a complete R/C setup to be raffled off at the show. Tickets to be \$3 each or 2 for \$5, available at the show. We want a lot of planes visible at the show. Brian requested the membership to email/mail him at your earliest convenience as to what you would bring.....don't forget the donuts! Brian will contact the mall.

After the success of last years club picnic it was decided.....to do it again and if once was good twice would be better. June 19th was declared the first picnic date with the second TBD (that's **To Be Determined** for the uninformed)
