

## The minutes of the meeting held on Sunday 2/27/2005

President Brian called the meeting to order at the appointed time. Those present were: Dave Dress, Bill Keyes, Jim Massey, Tom Puma, Brian Reed, Roger Smith, Hank Tanzer, Jim & Carvin Alexander, John Balparda, Bob Case and Lori Walters.

A motion was made, seconded and passed to railroad last years club officers into similar roles again, how unimaginative we are.

Brian, Dave, and Tom gave the club a rundown on the meeting at Fair Haven. Much discussion ensued investigating many actions we might take. It was generally agreed (like what else could we do?) that we had to wait to see how the process went at town meeting day to have a more clear picture of the future. Among the more popular thoughts was if the airport project dies Brian and Dave would schedule a meeting with the Fair Haven board to discuss leasing our flying site. And, if it was full speed ahead that maybe it was time to find a generous farmer with unused land to lease....cheap!

It was moved and seconded and sort of voted on (the voter apathy on this issue was enormous) that we would not hold the Mall show this year. On the other hand as Tevya would say the yard sale is a go at Dave's for April 30 and May 1<sup>st</sup>. I will be sending out an email to all members requesting itemized list of all the junk they wish to get rid of....leftovers are going to the Mission!

Lots of discussion about having a fun fly as a money raiser or a big bird event.....would be nice to know where we plan to have it but most agreed it would be at the FH airport as no dirt should change position (unless we do it) anytime soon.

A coup was attempted to bring down the Hateful Hill gang (merge them into one club) Hank was adept at sidestepping but agreed we ought to look at doing this mid year rather than so close to re-charter time

It was agreed that we needed to meet in a month so we could beat up the decisions out of the airport committee.

Meeting adjourned when it was discovered that all there was to eat looked way to healthy.
