

The minutes of the meeting held on Saturday 02/18/07

President Brian Reed called meeting to order (like he had a choice). Members present were the usual suspects: Brian Reed, Roger Smith, Bob Case, Billy Keyes, Hank Tanzer, Jim Alexander, John Kasuba, Rich Schisler, Tom Puma and Rod Litchfield.

First order of business was the annual railroad job called elections....like nothing changed so what's to tell, guess ya'll like these dopey missives.

Club attire was passed out and money collected, everyone should look spiffy at the field.

It was decided that we would hold a 2nd annual air show. The date of July 14, 2007 was decided upon. The planning committee was decided upon and will be Brian, Roger, John and moi. Dave will attempt to put ad in AMA magazine.....right.

Tom successfully lobbied for the Flying Duce's to hold a heli meet at the field in September.

A short discussion was held regarding permanent membership cards.....anyone have a plane pic they would like to have me use? Final decision is.....uh.....MINE!

With much discussion it was decided that Brian and Dave (now newly elected alderman...like they will be impressed by that I bet, would discuss lease possibilities with Fair Haven.

Rod Litchfield agreed to be a farmer.....or maybe he is just going to talk to one, who knows.

Tom provided all the details of the indoor flying site but seeing that most of the club was not in attendance and those present were asleep.....call Tom Puma for details.

John didn't bring pizza.....OK who dropped that ball.....adjourned!
