

## The minutes of the meeting held on Sunday 03/07/2010

President Brian Reed called meeting to order. Members present were: Brian Reed, Roger Smith, Bob Case, Hank Tanzer, Mark Nicholson, The Tom's Purner and Puma, Ken Nelson, Dave Dress, Steve Roberts, Don Gosselin, Harry Thompson, Bob Scott, Brant Duffy, Steve Corbett, David Cenate.

Brian gave a brief recap of the status of the airport and the results of the most recent election which was very favorable from our standpoint.....so continued flying looks good for now.

Once again all officers were coerced into returning for another year.....come on guys it will soon be time for someone else to step up to the transmitter and take over....new blood is good!

The quasi donation committee recommended Fair Haven Concerned get our \$500 this year and all agreed.

Fair Haven will continue to put down pavement grindings this summer.

It was decided that we would hold the 4th (5<sup>th</sup>???) annual air show on July 24, 2010. It was decided to not try to get into the magazine this year. The planning committee is to be Brian, Roger, Steve (Corbett & Roberts) and Bob. Remember last years changes >>>.....a \$10 landing fee will be charged to everyone including club members and the free lunch program has ended as has the buddy box flights.

There will be a yard sale this year....it will be April 10<sup>th</sup> 8am – 2pm at Dave's house so get all your stuff together.....ands to me on Friday prior....anything not sold gets pitched at my earliest convenience.

Club picnic was scheduled for June 26<sup>th</sup>..... free OLD drinks and meat...bring a dish....and something to share.

Some thought was given AFTER the meeting (like duh maybe our brains shoulda kicked in sooner) to giving FREE membership to those club members over 80 years of age....let Brian or I know what you think.

Nice meeting spot....thanks Bob!

John didn't bring pizza, hell he didn't even bring himself!.....adjourned!
