It was decided that we would hold a 2nd annual air show. After fairly lengthy discussion it was also decided to be a 1 day event following the same format as this past year. The date of July 14, 2007 was decided upon. Dick Robinson agreed to once again provide the mobile office/radio impound area.

A short discussion was held regarding a separate club picnic & fun fly. It was decided to have one, but we will set the date at a later meeting.

With very little discussion it was decided that dues would remain the same this next year.
