

The minutes of the meeting held on Sunday 02/19/06

President Brian called the meeting to order at the appointed time. Those present were: Dave Dress, Brian Reed, Roger Smith, Hank Tanzer, John Balparda, Bob Case, Lori Walters, Tom Puma, Billy Keyes, Rod Litchfield, Norm Gates and Charlie Lane

President Brian started the meeting with a call for the election of officers. After many stops, starts, missed and massacred motions Brian was retained as President, Dave as chief cook bottle washer and number cruncher, Roger as Vice President (hail to the almost chief) and Bob "Roll that field" Case Safety Officer.

It was established that the date for the annual ??? yard sale at Dave's house would be April 29th.....get your sh.. together as an email is forthcoming to solicit who will contribute good stuff this year for our intrepid sales staff to peddle.

Tom gave a brief (was it ever) report on the availability of Fair Haven for this year. Seems they don't plan to do much (now there's news).

After some discussion and arm-twisting it was established that the planned Air Show would mutate into an Air Show/Fun Fly. Date of which was established to be July 15th. A committee (don't ya love em) was named of Brian, Dave, Roger Bob and John Balparda to plan the event and return with the details to the membership...in other words.... their way or the highway!

Discussion turned to other remote control devices and general BS session evolved after the adjournment of the meeting.
